Commissioner for Patents

Attached please find a copy of the signed PTO-1449 submitted on 04/01/2004. Although Examiner considered the references prior to the mailing of the notice of Allowability, Examiner inadvertently neglected to sign and include said PTO-1449. It is noted for the record that all of the references submitted have been considered and that none of the references read on the allowability of the claims.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MINH-TAM DAVIS whose telephone number is 571-272-0830. The examiner can normally be reached on 9:00 AM-5:30 PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, LARRY HELMS can be reached on 571-272-0832. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
